Please review this matter. I think that your letter of core deficiencies applies to the PFS served on 11/13/2017. I subsequently served another PFS on 11/15/2017. In reviewing that PFS, it appears that I have corrected the deficiencies indicated for John Six, namely:

- Case number
- Section III—3 questions
- Section VI—emotional distress incomplete.

Please confirm. If I am incorrect, please advise ASAP and if you could specifically identify the issue, I will correct it. As it stands, I believe the PFS served on 11/15/2017, is complete.

Todd,

I hope that you are having a good day. I did receive your email about the confusion for both Six and Grussing and have forwarded your email to Mike who should be reaching out to you about the remaining Core Deficiencies for both cases. I have attached the Notice for;

Six 01494

Please let me know if you are able to open this. I also sent the hard copy of this via US mail on 12.11.17, so if you have not received it yet, be on the look out for that.

Thank you so much,

Kristie
